BEFORE
HON'BLE MR JUSTICE D.BISWAS, CHIEF JUSTICE(ACTING)
HON'BLE SMT. JUSTICE A.HAZARIKA

Heard Mr SC Biswas, learned counsel for the petitioner and Mr BC Das, learned Standing Counsel, Gauhati High Court.

The petitioner is working as a contingent worker in the establishment of CJM, Cachar, Silchar on a fixed remuneration with effect from 1.1.87. His case is that despite being in service for a long period, his case has not been considered by the authority for regularisation/ appointment against any permanent vacancy.

The prayer for a direction for regularisation in the manner as sought for cannot be allowed by this Court. However, we dispose of this petition with a direction to the CJM, Cachar, Silchar to consider the petitioner's case as and when he applies in response to any advertisement that may be issued in the near future for filling-up vacancies in Grade-IV with due weightage to the service rendered by him during this long period.

It is further made clear that no post in Grade IV shall be filled up except without proper advertisement. His pay and allowances may be regulated as per the Government circulars issued from time to time.
